

Mock Cable Lacy Toe-Up Socks

By Wilma Becker

(This pattern assumes that you have some working knowledge in sock knitting, and is not for beginner sock knitters.)

You will need **US size 1 needles**. (I use one 32" or 40" long circular needle, and use the magic loop method, knitting 2 socks at once.) You could use five size 2 double point needles in the traditional way of knitting socks. Here is a link showing how to do magic loop. (<http://www.wonderhowto.com/how-to/video/how-todomagicloop-knitting-4601/view/>) You can also google "knitting magic loop" for more information.

In addition to the size 1 knitting needle, you will need approx. **100 grams of sock yarn**. (I never use the full amount of yarn, but some people need to.)

You will also need:

1 Crochet hook.

1 size 5 dbl point needle

The pattern is pretty simple, and I have charted it out for you.

* * * * *

Begin by casting on 14 stitches, using your favorite cast on for toe up socks. I use the Judy Becker Magic Cast-on for all of my toe up socks. Cat Bordhi has an EXCELLENT tutorial at YouTube. She is 'silly' in the way she teaches, but she gets the idea across and it's so easy to follow her. She uses 2 circulars in her tutorial instead of magic loop, but it's the same concept as using one long circular. The link is: <http://www.youtube.com/watch?v=IhBIS0AhhQY> or you can google Cat Bordhi if this link doesn't work for some reason.

You can use either 1 long circ. needle, or 4 dbl point needles depending on your preference for sock knitting. (*I use one long circ. needle, aka magic loop so if you cast on 14 stitches, you would have 14 stitches on each needle, per sock.* Once you have completed the Judy Becker Magic Cast on, you are all set to begin knitting in the round.

Toe shaping: (you will be knitting in the round)

Round 1: knit all stitches around

Round 2: knit in the front and back of the *first and last stitches* (per needle) to increase the toe if using Magic loop method

(If using 4 dbl point needles, k in the front and back of the first stitch on needle 1, the last stitch of needle 2, the first stitch of needle 3, and the last stitch of needle 4) I have found that by doing the first round of increase stitches this way the 'rabbit ears' that you get if you do a k2, m1 increase on the first increase round are eliminated.

Round 3: Knit all stitches around

Round 4: If using 1 long circ. needle k2, m1R, k across needle, until 2 stitches remain, m1L, k2. Repeat on second needle.

(If using 4 dbl point needles, on needle 1- knit 2 m1R, knit across: needle 2- knit to last 2 stitches and m1L, k2. Needle 3 - same as needle 1, needle 4- same as needle 2)

Repeat rounds 3 and 4 until until there is a total of 60 stitches for each sock, 30 on the instep and 30 on the foot.

Work foot: Continue to work in the round, using the charted pattern above until you achieve 2 ½" LESS than the total foot length you need.

Begin gusset by knitting across instep stitches, continuing to work the charted pattern, and then increase one stitch on each side on the sole stitches. Increase as for toe increases every other row until you have increased 10 - 12 stitches on each side of the sole. You will still be working in the round, but only increasing the sole stitches, NOT the instep stitches. Be sure to continue to work across the instep stitches in the charted pattern.

Work **heel** as follows:

Place a marker in the *exact center* of the heel stitches to mark the center. You will now work *only* on the sole part of the sock, and let the instep stitches rest.

Begin on the knit side of the sole.

Row 1: Slip the first stitch, k to 3 stitches past the center marker. SSK, k1, turn.

Row 2: Slip the first stitch, p7, p2tog, p1, turn.

Row 3: Slip 1, k8, SSK, k1, turn.

Row 4: Slip 1, p9, p2tog, p1, turn.

Row 5: Slip 1, k10, SSK, k1, turn.

Row 6: Slip 1, p11, p2tog, p1, turn

Continue in this manner, working back and forth until all of the extra stitches from the gusset increases are worked and you again have a total of 30 stitches on the sole/heel part of the sock. Work in the round again for another inch (working the chart on the instep, and a stockinette stitch on the sole/heel part of the sock), then begin working the above charted pattern on the instep stitches *and* on the back of the leg/heel. (If you find that you have a hole where your heel joins, just pull up a stitch from the row below, twist it on your needle, and knit together with the next stitch on the round where you are working. This will close the hole). Continue knitting the leg of the sock until it is a couple inches shorter than the total desired length, and then knit 2 inches of k2, p2 ribbing.

Bind off loosely. I have discovered that I get a nice bind off if I get a size 5 dbl point needle and bind off with that.

With a crochet hook, weave in the ends, and then block the socks as normal.
